Interested in hearing more on how farmers, forest owners and their cooperatives are the driving force behind green jobs? Come to Copa & Cogeca's event on May 29 and debate it with high-level experts

#EUGREENWEEK2017

WHAT: The theme of this year's Green Week in Brussels is "Green Jobs for a Greener Future" on May 29-June 2 focusing on how EU environmental policies and other relevant policies and projects are creating green jobs and contributing to economic, sustainable and socially responsible growth in the EU. In connection to this, Copa and Cogeca will hold a workshop "Farmers, Forest owners and their Cooperatives: the driving force behind green jobs" that will bring together representatives from the EU agriculture and forestry sector, European institutions as well as researchers and other relevant stakeholders to exchange views on different initiatives and practices that contribute to a greener future.

WHEN: May 29 from 9:00 -14.00 h

WHERE: Copa and Cogeca Secretariat
