

Occupational Safety and Health requirements

EA(15)9836:1

- **Basic documents both for permanent and seasonal workers.**
 - ✓ **Occupational health and safety instructions;**
 - ✓ **Rules and Regulations;**
 - ✓ **Workers' health check;**
 - ✓ **Personal protection equipment documents;**
 - ✓ **Journals.**

Information and training on OSH matters are required to meet the same standards, regardless of the employment contract between worker and employer.

**A simplified version of health and safety
declaration of the workplace for SME's.**
