

FM(14)04

The Secretariat of
Copa-Cogeca
which represents European farmers and European agri-cooperatives

is recruiting

Policy Advisor (m/f)

Its main functions will be to:

- monitor the European Commission's regulatory initiatives and identify emerging trends and issues, particularly in the areas of Animal Health & Welfare, Plant Health, Risk Management and Insurances schemes.
- provide thorough analysis of developments and their impacts for Copa-Cogeca members and develop Copa-Cogeca positions
- organise and coordinate the respective Copa-Cogeca Working Parties.
- develop, in collaboration with members, Copa-Cogeca's lobbying activities to influence the EU institutions and external partners.
- develop networking with the member organisations of Copa, Cogeca and other European NGOs.
- report to the team's Director and be capable of working in a multicultural team.

Profile:

- University degree (B.Sc or M.Sc) in agronomy, veterinary science, biology or related areas.
- A strong understanding of the CAP as well as Animal health & Welfare and Plant health Policies.
- Professional experience in agriculture at European level and/or in other EC Institutions is an advantage.
- Language skills: Fluency in English and French are required. Other European Union language(s) are an advantage.
- Very good sense of team spirit.
- Strong analytical skills and efficient communicator.
- Computer literacy: (MS Office).

Please send your CV + letter of motivation by 2th June 2014 to:
