

LITHUANIAN FARMERS' UNION

**Wednesday 28<sup>th</sup> November 2013**

**PROGRAM**  
**Visit Lithuanian farms**

**09.30 Bus departure from the hotel *Park Inn Kaunas* (K. Donelaicio st. 27, Kaunas).**

**10.30 – Farm visit** in Slikiai village, Kėdainiai district (a vegetable farm “*Tikras ūkis*” (“*A real farm*”): carrots and cabbages. Ilona and Virgilijus Kuprevičiai started running their farm from an area of 1 ha and in 14 years they expanded their farm to 140 ha. The farm is acknowledged as one of the most advanced vegetable farms in Lithuania, which sells its products at nearly each local supermarket as well as exports them to Russia. The farm has over 30 permanent employees, while in summer and autumn their number increases up to 40. Over half of employees have longstanding work experience with 7 to 10 years length of service). <http://www.tikrasukis.lt/en/>

**~12.00** Lunch at “*Seno dvaro sodyba*”, Stasinė village, Kėdainiai district.

**14.00 Farm visit** in Margininkai village, Kaunas district (a farmer Audrius Banionis has a mixed farm: crops, pigs, cattle, dairy, poultry,. There is a slaughter house, a processing plant on the farm. This is an excellent example of a project from field to fork.)
